Luxury Wildlife Safari in *Central India*

14 NIGHTS · 15 DAYS — PANNA · BANDHAVGARH · KANHA · PENCH

TRIPADVISOR TRAVELLERS' CHOICE

★ 5.0 · #1 of 144 in India · 2026

An indulgent passage through *India's wild heart*

For more than half a century, the forests of Central India have been the very mecca of Indian wildlife — a biodiverse haven spread across an area as vast as France, and among the most rewarding destinations on earth for the discerning nature traveller.

Weathered over millions of years, this is a land of rivers, plateaus and ancient ranges, of ravines and gorges cloaked in sal and teak, where altitudes rise from 150 to 1,300 metres. Many who travel here feel they have stepped directly into Rudyard Kipling's world of animals. Over fifteen unhurried days you will follow the tiger through four of the country's most celebrated reserves — Panna, Bandhavgarh, Kanha and Pench — between exclusive lodges, gourmet tables and quiet hours of relaxation.

WHAT SETS THIS JOURNEY APART

- ◆ Majestic tiger sightings in pristine Central Indian wilderness
- ◆ Exclusive luxury accommodations amidst stunning natural landscapes
- ◆ Expert-guided safari adventures through four renowned national parks
- ◆ Immersive cultural encounters with indigenous tribes and local communities
- ◆ Gourmet dining experiences showcasing regional flavours and delicacies
- ◆ Unhurried relaxation in opulent retreats after exhilarating wildlife encounters

Four forests, *one seamless arc*

From booking internal flights and securing reservations to arranging private road transfers and tending to every special request along the way, we take care of each logistical detail. Your only task is to lose yourself in the magic of India. Below, the four reserves that shape your route through Madhya Pradesh — the country's tiger heartland.

Panna National Park

VINDHYAN HILLS · KEN RIVER · DAYS 2–5

A celebrated conservation success story along the Ken River, home to tigers, leopards, sloth bears and the critically endangered gharial — explored by jeep and by boat.

Kanha National Park

SAL MEADOWS · 300+ BIRDS · DAYS 8–11

The landscape said to have inspired *The Jungle Book* — sweeping meadows, some seventy tree species and a birder's paradise, with the rare barasingha at home.

Bandhavgarh N.P.

448 KM² · ANCIENT FORT · DAYS 5–8

Among India's most beautiful parks, famed worldwide for its tiger density — open meadows, Sal jungle and a 2,000-year-old fort crowning the hills.

Pench National Park

758 KM² · SATPURA SLOPES · DAYS 11–14

Teak forest threaded by the Pench River and its hidden pools, where prey gathers along the water and tigers patrol the belt — Kipling's original country.
